

Permission to use student picture and/or student work

Occasionally The Train Station Preschool will post student pictures and/or student work on the school website or in promotional material (brochures, slideshows, etc). Teachers may also use student work for teacher-research purposes. Full names will not be associated with the picture or work of any student. Please check the appropriate line and sign below.

_____ I give The Train Station Preschool permission to post my child's picture/student work on the school website or in other promotional material, or to use student work for research purposes.

_____ I DO NOT give The Train Station Preschool permission to post my child's picture/work on the school website or in other promotional material, or to use student work for research purposes.
