

1/10/2023

Dear Parents,

It's that time again at The Train Station **Preschool**. We have put together a quality summer program, which we are very proud of.

We have entitled our program "Summer Fun" and are currently accepting applications for **preschoolers**. Our hours of operation will be June 1-August 25, 6:30 am through 6:00 pm. Information regarding our summer program for elementary students will be provided in a separate mailing.

Below is a schedule of themes, and information that you will need. If your child is not currently enrolled in the preschool an enrollment fee of \$200.00 is required to hold a place for your child. If your child is currently enrolled at The Train Station Preschool we will waive the summer enrollment fee.

Please remember that our summer program is a fun enrichment program, combined with academic lessons to benefit your preschooler. This year we will be using a combination of phonics, math, Bible curriculum and creative lessons and activities planned by our qualified staff. We hope and pray it will be a fun filled learning experience for your child.

The following is a list of items your child will need each week:

- Lunch- If you are here between 11:30am and 12:30pm you will need to pack your child a lunch; we will provide milk, juice or water for those students who need it.
- Pillow and Blanket- If your child is here for a full day **and** takes naps, we ask that you bring a travel sized pillow and small blanket.
- Complete change of clothes- Your child needs a labeled change of clothing in a labeled Ziploc bag. Please include all items such as shoes, socks, underwear, pants/shorts, and a shirt.
- Sunscreen- Each child needs to bring a labeled bottle of non-aerosol sunscreen to be left at school throughout the summer program. We will apply sunscreen daily ½ hour before going outside to play.
- Bathing suit and towel- Each child needs to bring a bathing suit and towel to school. This should be kept at school at all times for various activities throughout the week.

- o Monday Mad Scientist Day
- o Tuesday Health and Nutrition Day
- o Wednesday Around the World
- o Thursday Literacy Day
- o Friday Water Day (weather permitting)

In His service,
Judi Sivy
